## WHAT IS PRESCRIPTION DRUG PLAN COVERAGE?

Part D adds prescription drug coverage to Original Medicare and some Medicare Advantage plans. These plans are offered by private insurance companies approved by Medicare, and must follow guidelines established by The Centers for Medicare and Medicaid Services.

## WHY DO I NEED IT?

Part D may significantly reduce the cost you pay for medications.

If you no longer have creditable drug coverage from an employer or union, Medicare requires you to carry drug coverage.

## WISCONSIN ADVANTAGE UNDERSTANDS YOUR SITUATION

We know how your union benefits work. We have helped hundreds of people in your situation in the state of Wisconsin.

Sometimes enrollment in Part D takes multiple steps and we will be with you every step of the way!

It can feel overwhelming transitioning to Medicare. Our team will help you navigate your needs. They will make it easy for you!

## FEEL CONFIDENT ABOUT YOUR DECISION

Part D plans are not one size fits all. When you call Wisconsin Advantage we will research your medications to find the option that meets your needs.
